MEN'S GROUP IS BACK- FEBRUARY 7 - 6:30PM

Men of all ages are welcome to come out on Tuesday, February 7 at 6:30pm for dinner and to hear our guest speaker Frank Kershaw who will talk about "G.T.A. Garden Treasures"

Toronto's Historic Estate Gardens have inspired awe over the past century. Frank Kershaw a well-known horticulturist has studied and photographed gardens throughout North America. He has researched the fascinating history of Toronto area gardens. These have ranged from hundred-year-old estates to romantic hide-a-ways.

All of the selected gardens have captivating stories to tell of their origins, designs, plant collections, and architectural features. Their legacy has influenced garden design and the appreciation of close-at-hand nature's beauty. Come be inspired. All men welcome!
